

Wayland SEPAC

To **ALL PARENTS and GUARDIANS:**

The Wayland Special Education Parent Advisory Council (SEPAC) is asking **every parent/guardian of a child in the WAYLAND public school system (including out of district families)** to please fill out our annual survey. You can access the survey with either the QR code or link below:

<https://forms.gle/uJ7DcoazMDuiMq45A>

We want to include input on the special education needs and experiences of **everyone in our community this year**, not just those on an IEP or 504 plan.

Please take our brief survey, **whether or not you have concerns about your child's learning**, by **March 17, 2023**.

About the SEPAC Annual Survey: The Wayland SEPAC conducts an annual survey of parents/caregivers to determine the strengths and weaknesses of special education services in the district. There are questions relevant to all community members. Anonymous results will be compiled and shared with the school district and the Wayland School Committee.

To join the Wayland SEPAC email list please email: waylandsepac@gmail.com. Follow us on [Facebook](#) or check our website: www.waylandsepac.com
